

Thank you for your interest in becoming a volunteer with The Beehive International Inc. Our volunteers play a vital role in the activities of The Beehive International Inc. Each of our full time employees from the top to the bottom of our corporate structure are volunteers and do not receive a salary.

The next step in applying to become a volunteer is to complete the attached form. Your answers to these questions will enable us to see where you might best help our program and what activities would be most fulfilling to you. Many of the questions are self-explanatory. Others might need a little more explanation.

PERSONAL INFORMATION: Please provide a phone number at which we may reach you Monday through Friday, between 8:00 a.m. and 4:30 p.m. to follow up on your application. You also may provide an e-mail address for that purpose.

WORK EXPERIENCE: When listing your work experience, show only the last 5 years of employment. If you are retired, describe the last 5 years you worked before you retired.

MISSION EXPERIENCE: When listing your mission experience please give the following information: Location, Duration, Goals and Accomplishments, Name of Company that Organized the Mission, and Your Role in the Trip.

LANGUAGES: An ability to speak and understand a foreign language is a huge asset to our work being done around the world. Whether you are sent out of the country, or stay at home, being able to communicate effectively in multiple languages is important. Reading and translating duties might involve verbal translation during presentations and written translation of company materials.

SPECIAL SKILLS: The information you provide will help us to identify which activities and what location will most interest you and where you can make the greatest contribution to our program. Please mark those activities on the list with which you have experience and indicate your level of expertise. Please add any other activities in which you have experience that you think will fit into The Beehive International's programs.

AVAILABILITY: Which days of the week and which hours on those days will you usually be available to volunteer your services? If you are interested in the foreign mission field are you available for 1 month, 3 months, 6 months, or longer?

REFERENCES: It is important that you provide the names of two individuals who can be contacted to discuss your qualifications for a volunteer position. They will be informed of the reason for the contact. Please note that a background check will be necessary, depending on the type of volunteer service you will provide and the kind of access to our facility.
